

Remembering Pete Quasius

We are profoundly saddened to share the passing of Peter Leslie Quasius ("Pete") on October 2nd at his home.

Pete was a dedicated leader and volunteer, serving in many roles for various South Florida organizations for over 20 years. His commitment and guidance had a lasting impact and will be deeply missed.

Pete was instrumental in the growth and development of the Cypress Chapter of the Izaak Walton League of America. He served as President for several years. His service will live on in the many people and organizations he mentored and supported over the years.

Brett Fitzgerald, Executive Director of the Angler Action Foundation, has written a tribute honoring Pete's contributions to Florida and the lessons he passed on to us all. Read the full tribute here:

<https://www.angleractionfoundation.org/memory-peter-leslie-quasius>

In accordance with Pete's wishes, there will be no formal service. Messages in his memory can be sent to Brett@angleractionfoundation.org to be included in the foundation's story.
